What happens at the conference?

THROUGH YOUR INTERESTS
an array of speakers representing various congregations and provinces in the Order, will facilitate an experience of yourself as preacher using the mediums of art, dance, drama and more.

BY HEARING THE WORD OF GOD
you will learn how the Word of God is so vital to the life of all Dominicans and come to know ways you can make that Word come alive in your daily life and the lives of those you meet.

IN PRAYER AND LITURGY
using musical talents, gifted voices and individual creativity, you will participate in the preparation of prayer services and liturgies that are a vital part of the conference. This powerful experience can be brought back to your own parishes, campus ministries or any other spiritual gathering.

MOVING FORWARD BOLDLY
awareness of the signs of the times will encourage you to fulfill the mission of preaching the Good News. You’ll be challenged to do what you have never done before: to preach the “Good News” to others - Keeping the bible in one hand and the newspaper in the other.

It’s about gathering together to discover how each of us is called to preach the Gospel message in our own unique way.

The National College Preaching in Action Conference is a program of the Dominican Youth Movement USA which connects today’s youth and young adults to the Dominican tradition of preaching and the participant’s own call to preach. Participants of this conference have become leaders at their universities and churches, Dominican Volunteers, Dominican Young Adults or joined religious communities.
