

## DYA USA Commitment Statement

---

I, \_\_\_\_\_, commit myself to membership in the Dominican Youth Movement USA as a member of Dominican Young Adults U.S.A. for one year. I commit myself to living out the four pillars of Dominican life: prayer, study, community and mission through:

- personal and communal prayer in order to deepen my relationship with God,
- studying the Word of God and the Signs of the Times,
- participating in a local community chapter of Dominican Young Adults USA,
- engaging in preaching the Word of God, through service to my local community,
- and to fulfilling all of my responsibilities as a member of Dominican Young Adults USA.

On this day, \_\_\_/\_\_\_/\_\_\_, I accept my membership in the Dominican Youth Movement and to Dominican Young Adults USA as well as the International Dominican Youth Movement
